Foreword

When the last strains of "Pomp and Circumstance" fade away and the seniors have received their diplomas, the records of another school year pass into the realm of history.

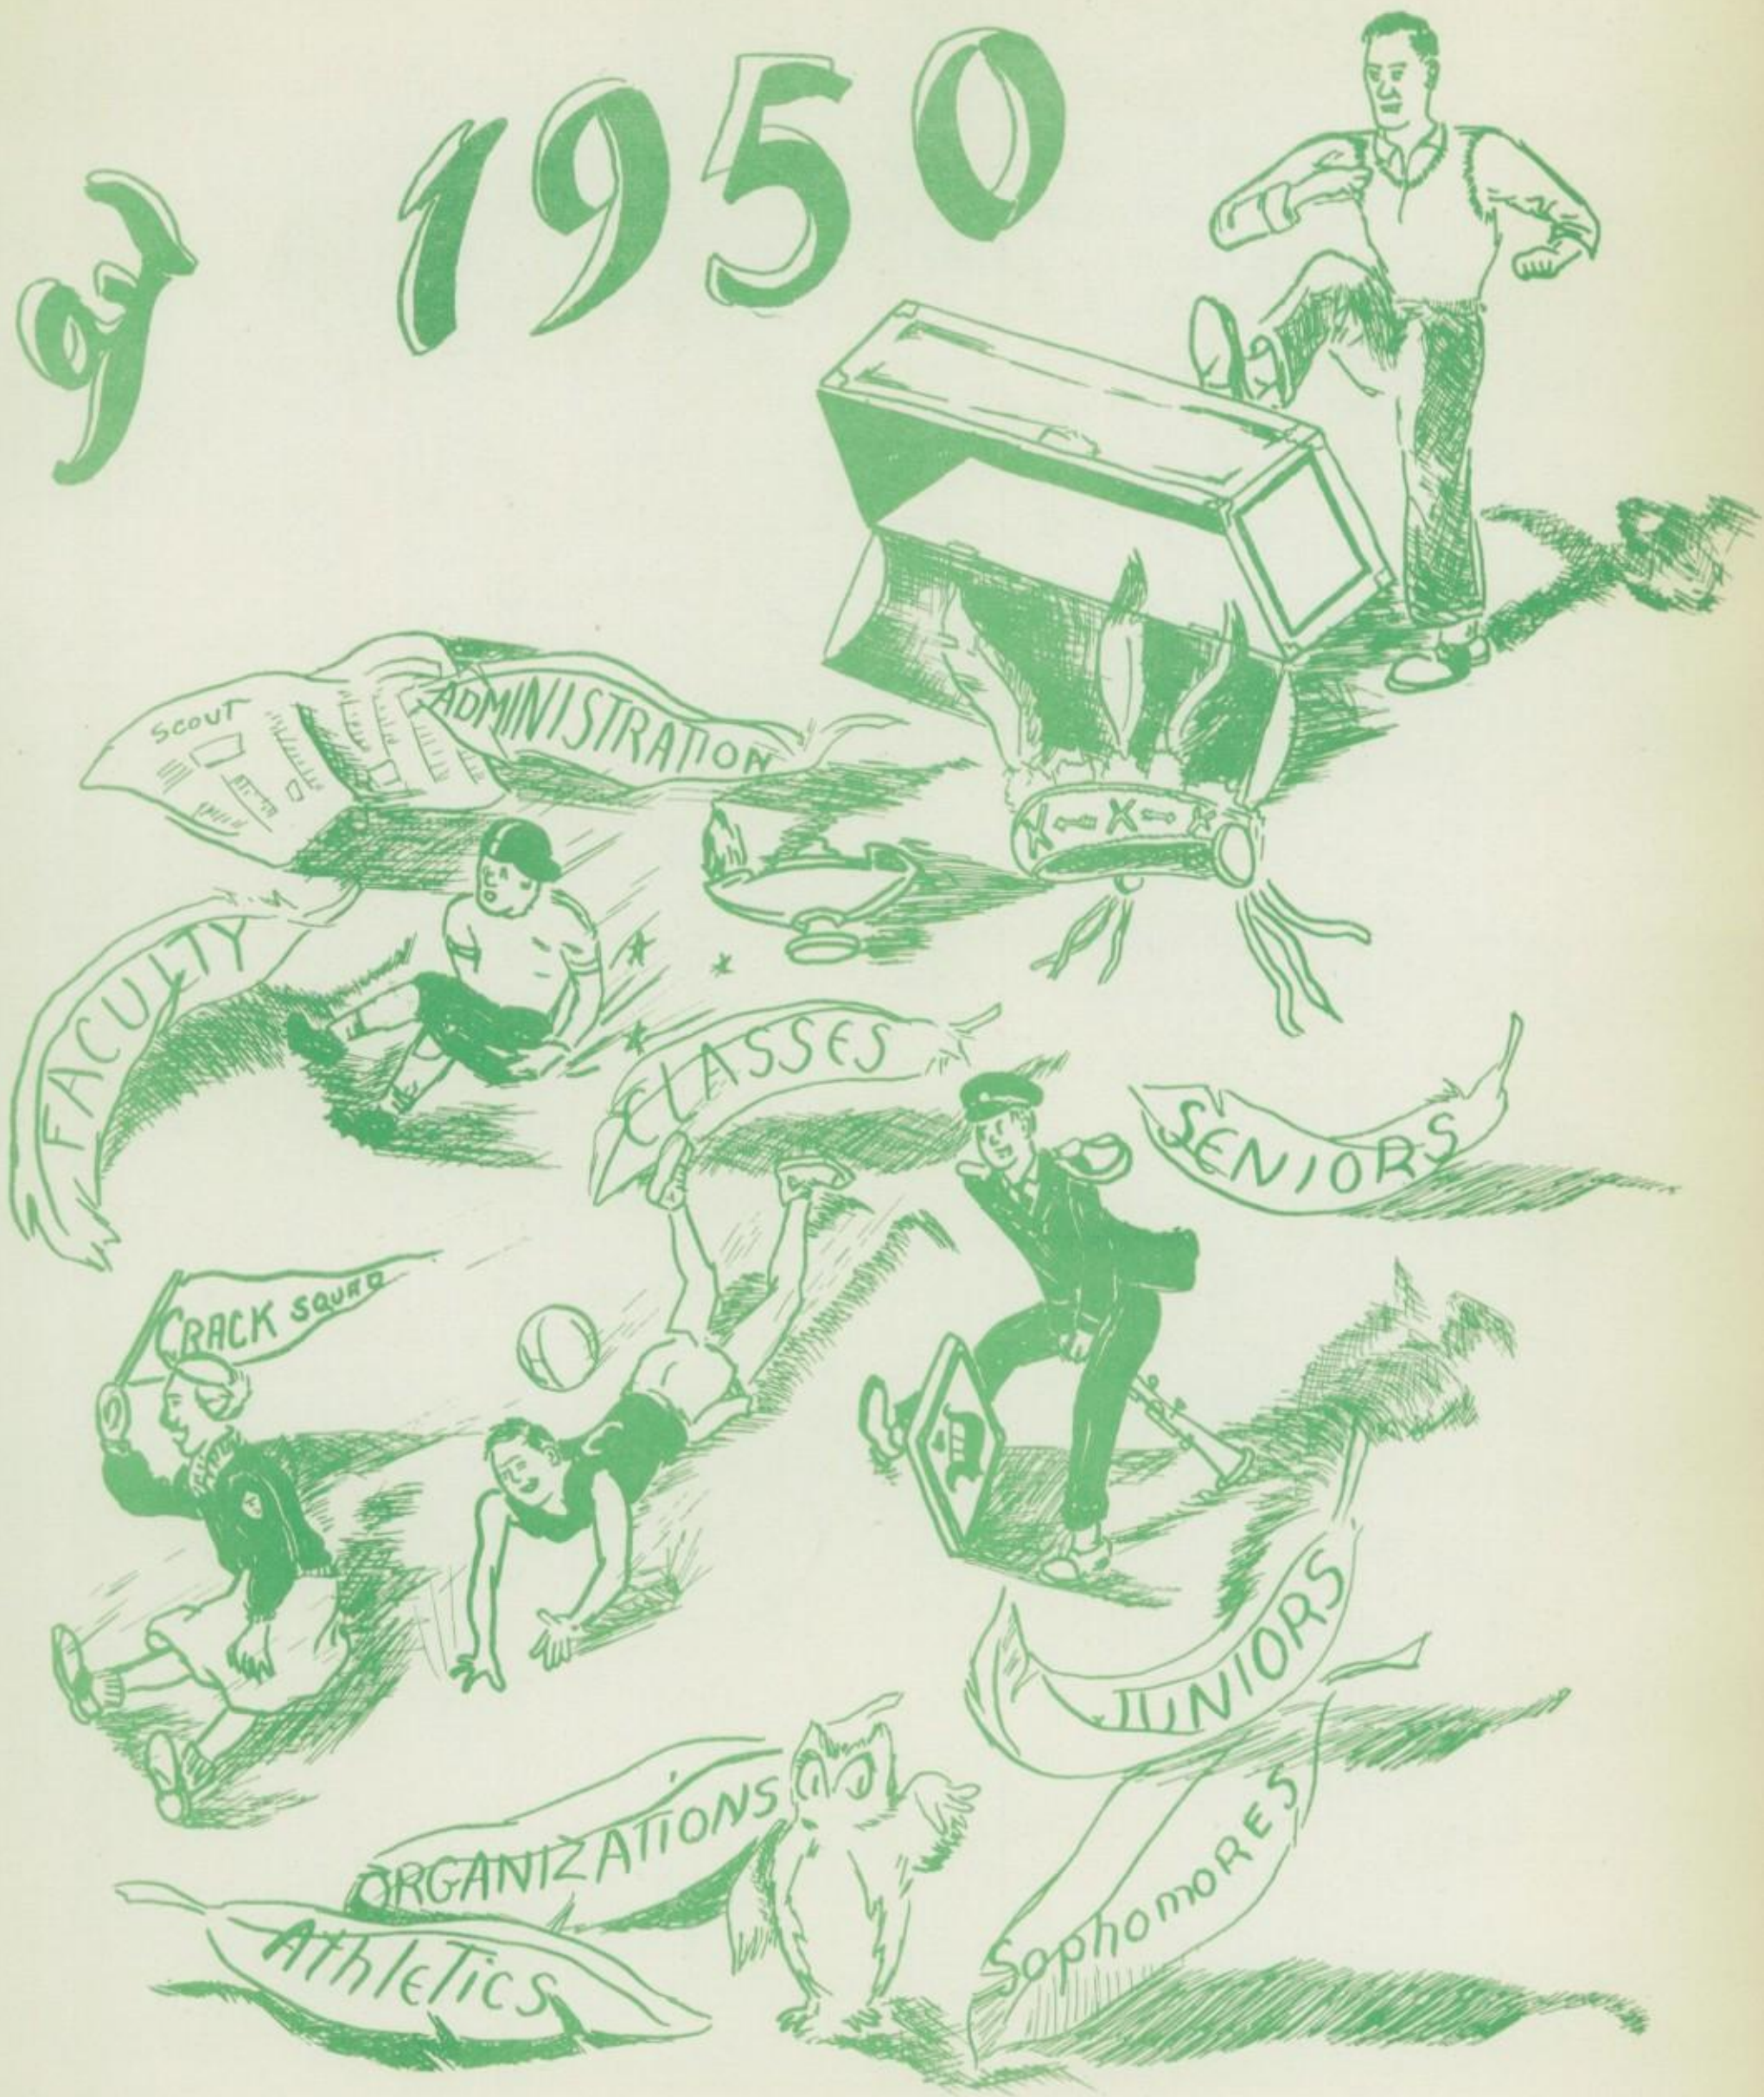

The year 1950 has been filled with many colorful and memorable events. To some the thrill and suspense of that all important conference football or basketball contest will be the most outstanding event of the year. To others their first date or their first venture on the dance floor will be the moment they'll never forget.

Each year we experience events of joy, sadness, and great expectations which are recorded in the mind's treasure chest until reflection on them at a later time recalls them to mind.

It is the sincerest hope of the staff of the 1950 Chieftain that in future years when you are thumbing through its pages, the book will become a magic key which will open the past and call to mind the many invaluable Treasures of 1950.

Dedication

To Mr. B. L. Wertz, whose untiring efforts have done much through the past three years toward creating a more complete all around education for the students of Central High, we the staff gratefully dedicate this 1950 Chieftain.

OFFICE OF THE SUPERINTENDENT

Mr. and Miss Senior
Class of 1950
Central High School
Muskogee, Oklahoma

Dear Mr. and Miss Senior:

Your progress through your twelve year school program shows a definite trait in your character which is very important to your success in future years. You are to be commended highly for your educational accomplishments up to the present. Your future school success or vocational success will be directed largely by what you have learned and accomplished.

Your course is pretty well chartered. From here on you will succeed to the extent that you continue to have a desire to learn and to work. Your responsibilities will grow and accumulate more rapidly with each year ahead. Today, character, understanding, and willingness to work are the traits that count most. Your influence for right is sorely needed. Your help toward peace will be sought after by the whole world.

I salute you as one who is graduating from high school and I know that you can be depended upon to accept all of the responsibilities of a good citizen, today and tomorrow.

Sincerely,

Harry D. Simmons

Dear Mr. and Miss Seniors:

Please accept my sincere congratulations on your graduation from Central High School. The honor which you have brought to your school will continue in ever-increasing importance in proportion to your own future growth of character; your healthy, wholesome enjoyment of life; your growth in knowledge and wisdom, and your service to your fellows.

If I were to offer you a message, it would be contained in a little book of one hundred and twenty-five entitled, "The Shole Story," by James M. Men of Principle, "Jork is Life and Love." I know that you know this book, and I think it is the best thing that you can read.

If I were to offer you a message, it would be the one contained in a little book of one hundred and twelve words and entitled, "The Whole Story," by James H. Elliott.
Men of Principle are the Principal Men---
Work is Life and Good Work is Good Life---
Jerk is not the lack of counts. For, you know how to use what you know that you know, but how well you know how to use what business is not the lack of men and Good Friend, the trouble in lack of ability of men to USE their ability--but the terrible as important to FORGET some things as it is to remember others. So don't forget to remember and always remember to forget--and Keep on Keeping on. For you are judged by the Record that you Make--Not by Your Ability to Make a Record.

I count it a great privilege to serve a group who so cheerfully and effectively use their talents.

I count it a great privilege to serve a group of seniors who so cheerfully and effectively use the opportunity which is theirs.

Yours very sincerely

Yours very sincerely,

SENIORS

Class Of 1950

Homer Swindler—President; Betty Rogers—Vice President; Jean Fink—Secretary; Leroy Crossland—Treasurer.

The senior class of 1950 climaxed a three-year period of activity as it performed the time-honored traditions of graduation.

Chosen as the officers of the class were president, Bob Swindler; vice-president, Betty Rogers; secretary, Jean Fink; treasurer, Leroy Crossland; and senior councilmen, Carl Ream, Willie Mae Lange, and Ray Smith. Bob Noever and Gorma Woolard were chosen during the first quarter as president and vice-president of the student body.

The class presented as their traditional senior play, "When I Was Nineteen", and combined their talent with the juniors to enact "Berkeley Square", an English drama. Twenty-seven members of this class were chosen as members of the National Honor Society. Cynthia Dorwart won the DAR Good Citizenship Award and Bettie Cox and Bob Noever won the trip to the Career Conference at Oklahoma University. Joe McKinney won the essay contest on "Socialized Medicine" and Virginia Burleson won a contest sponsored by the American Legion.

As juniors, individuals of this class were the charter members of the An-Nah-Vi-Suh chapter of the Oklahoma State Honor Society. The class presented as their play, "What a Life" and joined the seniors to present the junior-senior play, "The Barrets of Wimpole Street".

As sophomores the class presented two plays, the first a drama of the Elizabethan period, "The Queen's Christmas" and the sophomore class play, "A Little Honey".

The class brought to a close their three years at Central with their annual picnic at Greenleaf, the senior banquet, the Baccalaureate Services, and that all important occasion, Commencement.

IN MEMORIAM

Mary Alice Blakemore

Born-July 17, 1931—Died January 12, 1948

I cannot say, and I will not say
That she is dead. She is just away.
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since she lingers there.
And you -- oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of her faring on, as dear
In the love of There, as the love of Here.
Think of her still as the same. I say,
She is not dead -- she is just away.

THOMAS P. SAMPSON

Class Of 1951

Larry Maddin—President; Marjorie Love—Vice President; Lahoma Smith—Secretary; Kurt Burris—Treasurer.

With its two big objectives in mind, that is, the production of its annual class play and the junior-senior prom, the Junior Class met in September and elected Larry Maddin, president; Marjorie Love, vice-president; Lahoma Smith, secretary and Kurt Burris, treasurer, and Mrs. O. T. Gilbertson, sponsor.

The first of its objectives was reached in February when the class presented their annual play, this year, the famous Bob Hope comedy-farce, "Nothing But the Truth," which was climaxed with a ticket selling contest in which Jeanne Garmon was chosen Junior Class Sweetheart over sixteen contestants on the basis of the most tickets sold in her favor. Since the show proved to be a big financial success, the juniors raised enough money with this one event to pay for the prom.

In addition, the junior class was co-sponsor of the Junior-Senior play, "Berkeley Square," in January, and several members of the class were leaders in the annual Curtis Sales Drive.

At the prom in May, the class presented one of Central's most outstanding proms which was highlighted by the annual grand march which was led by their sweetheart and the Senior Class president.

The Central High School student council under the very capable guidance of Mr. B. L. Wertz, principal, is composed of a representative and an alternate from each home room. Both the representative and alternate must be dependable and qualified to present their ideas, voice their opinions in school matters to the council and to take back to their home-rooms the decisions of the council.

The council functions as a House of Representatives with Earl Eddins, Speaker of the House; Betty Rogers, Speaker Protem; and Margie Love, Secretary. The main objectives of the council are to promote the welfare of the school in every way; to instill a feeling of greater devotion and loyalty into the members of the organization in the school; and to develop democratic ideals for the future citizenship.

This year the council did an excellent job in supervising the students in the cafeteria.

Council members were host to the Crack Squad at a banquet given in their honor, March 1, 1950. A float was entered in the Mardi Gras parade by the Student Council.

Council members Margie Love, Gorma Woolard, David Shelton and Earl Eddins represented Central at the Federation of Oklahoma School Student Council's ninth annual convention in Madill, Oklahoma, December 1, 2, 3.

Each Thursday morning before school this year the members of Entre Nous met in Room 303 with their sponsor, Mrs. T. H. Moore and co-sponsor, Miss Bertha Stebler.

Their 1950 programs were centered mainly around the study of the everyday problems of the teen-age girl and discussions on co-ed and women's colleges.

Charitable projects undertaken by the members of Entre Nous this year include the preparation of a basket of food for some needy family at Thanksgiving, and dressing thirteen dolls which were given to the Gospel Rescue Mission for distribution to children who had none.

Social activities of Entre Nous are highlighted by the annual banquet near the end of school at the Pioneer Room of the Severs Hotel. Various other "get togethers" were held from time to time during the year.

Key Club

The Central High School Key Club was organized in 1947 by the Kiwanis Club of Muskogee, Oklahoma for the purpose of teaching boys of high school age how to meet the responsibilities of a civic club and to carry out a program in the school which would parallel in a small way the program of their paternal organization.

Eddie Eddins—Vice President; Lee Roy Bondurant—President; Charles H. Guigou—Secretary; Wilson Durham—Treasurer.

The qualifications necessary for membership in the organization are good character, leadership and initiative. At the beginning of the 1949-50 school year, thirteen new members were voted into the organization.

Soon after the new members are chosen, the annual Key Club banquet was held with all club members and their dates attending. A line party at the Ritz completed the evenings activities. In April, a spring dance was held at the Country Club to round out the year.

The club, directed by Jim Parker, chose the following officers for this year: Lee Roy Bondurant, president; Earl Eddins, Jr., vice-president; Charles H. Guigou, secretary; and Wilson Durham, treasurer.

Future Farmers

The Future Farmers of America is a national organization first organized in 1928 in Kansas City, Missouri. There are over 13,000 future farmers in Oklahoma and 300,000 in the United States.

The Muskogee Chapter of future farmers was first organized this year under the direction of Gene Beach. The local club envelops a vocational program for farm boys who are primarily planning to go back to farming and dairying after graduation from high school.

Each F. F. A. member must have several projects during the year. The most popular among the boys seemed to be raising livestock. Ten boys had registered swine breeding projects and two boys had registered beef projects.

Each year the F. F. A. members participate in stock shows and judging contests. Jim

Mr. Beach, Sponsor; Dale Gilbert, Ernest McCullum, Ronnie Duncan, Leonard Howdeshell, Herbert Hurd, and Jim Bradley.

Bradley raised a champion holstein cow which was awarded the first place ribbon at the Oklahoma Free State Fair in October of 1949. Not only being good farmers, the F. F. A. boys are also excellent salesmen. They won a wire recorder and a radio by selling subscriptions to the Southern Agricultural magazine and in February they sponsored a donkey basketball game and raised enough money to buy a pick-up truck.

The twelve aims of the chapter are leadership, character, sportsmanship, co-operation, thrift, service, scholarship, better farming, recreation, citizenship, honesty, and patriotism.

The officers of the Muskogee chapter are Leonard Howdeshell, president; Jim Bradley, vice-president; Ernest McCollum, secretary; Ronnie Duncan, treasurer; Dale Gilbert, reporter; Herbert Hurd, sentinel.

The purpose of the Distributors Club is to develop such qualities as leadership, high ethical business standards, an intelligent choice of an occupation, and a respect for vocational education.

Members of the Distributors Club take regular class work in the morning, which makes it possible for them to apply for a part time job. The Distributive Education course and job together give a student two regular units as well as developing his ability along future business lines.

Speech Club

Central's newest club, the Speech Club, was organized last September for the purpose of promoting educational and social activities among those students interested in speech education. Although one of the younger organizations in school, it proved itself this year to be among the most active.

While membership was limited to those who had portrayed major roles in dramatic productions, students who had been active in forensics, and those who assisted in some manner with radio programs, fifty students met on September 19 and organized the club. It was agreed upon by those present at the organizational meeting that the purpose of the club would be to assist the school in all speech undertakings, including public speaking activities, drama, radio, and interpretation, as well as to encourage the development of speech education throughout the community.

Those elected to guide the club's activities were Carl Ream, president; Jackie Kahley, vice-president; Bob Reitz, treasurer; Rita McGrann, secretary; Virginia Burleson, executive advisor to the president, and Mr. J. W. Patterson, faculty sponsor.

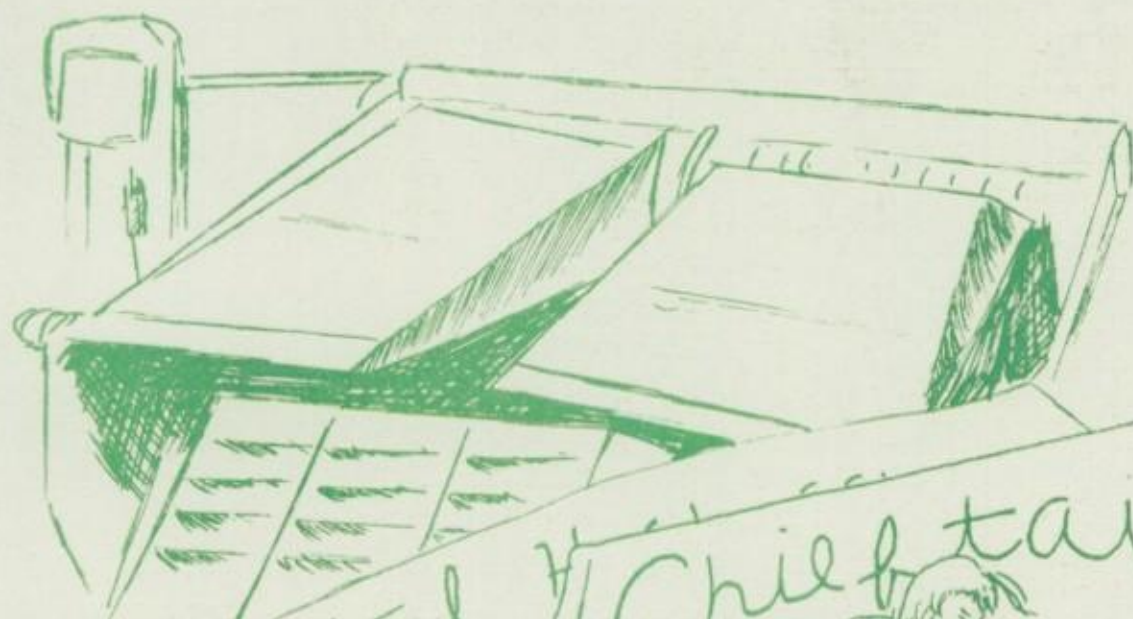

The club's first major activity of the year was the production of the all-school play,

Nixon Bicknell, Cynthia Price, Jackie Kahley chat over punch at Speech Club reception.

"Night of January 16th" which showed to two full houses on October 21 and 22. Following the closing performance the group entertained with a reception at the house of Dick Spraker, which was attended by speech educators from Tulsa University and Northeastern State College.

In addition, the Speech Club held numerous social events including parties, teas, receptions. In March, the club assisted the debaters with their annual speech tournament and along with the National Forensic League sponsored the awards banquet in May. The year's activities were climaxed with the sponsor's reception for the speech department and the party given by the sophomore and junior members for the senior members.

Scout

By shoving copy two regular periods a day, and countless irregular ones, from reporter to editor to print shop, the Scout staff met deadlines on twenty-eight publications this year proving journalistic work to be a continuous job. One week's issue was not off the press before the next week's paper was being arranged.

The Scout, which is a weekly publication, was published through the combined efforts of both the junior and senior journalism classes. Much credit goes to Mr. A. J. Geymann and the boys in the print shop and Miss Elizabeth Bonnell, sponsor, upon whose guidance the success of the staff and its product was entirely dependent.

Staff members attended several conferences and clinics during the past year and sent three delegates to the NSPA convention in Chicago.

Members of the Scout staff are as follows: Editor, Bob Lomax; Associate Editor, Willie Mae Lange; News Editor, Jean Arnold; Feature Editor, Anita Wood; Sports Editor, Robert Buster and Jake Wieland; Exchange Editor, Jeanne Williams; Headline Editor, Betty Englert; Cartoonist, Bob Noever; and Photographer, Earl Eddins.

Business staff included: Advertising Manager, Ray Smith; Circulation Manager, Lee Roy Bondurant; Auditor, Bob Caskey.

For the past 42 years the Scout has been published under the motto, "Service and Truth". Appearing first as a monthly magazine in 1908, the Scout became a weekly paper in 1920 and has remained that, being distributed every Friday afternoon on the sixth hour.

Central can be justly proud of the scout, in the years previous to 1949 the Scout received the highest rating possible, that of All-American twice. Last year the Scout was rated All-American both semesters.

Always on the job, the Scout is ready to boast of the schools undertakings, bringing about a feeling of co-operation and friendliness among the student body and faculty.

Know Your Safety A-B-C's

The question submitted this week from the combined driving classes of J. D. Hembree is: Who do you think is the more courteous: the majority of truck and bus drivers or the average passenger car driver?

HAROLD HAMBRICK: I think the truck and bus drivers are because it is their job to be courteous, and they will lose their jobs if they are not.

EMMA JEAN THOMPSON: The passenger car drivers.

BETTIE McDOWELL: I think the truck and bus drivers are because they are trained to be courteous.

MAC WHITE: The truck and bus drivers because it is required of them.

LA VOYCE CULVER: I think the average passenger car driver is because the truck and bus drivers are road hogs and think they are privileged.

Swimmers Meet OMA Today In Season Finale

Locals Own Earlier Win Over Cadet; Take Fourth Place In State Contest

Usually a team hits its peak near the end of a season, and Muskogee Rougher Swimmers are no exceptions. The high Muskogee Tankmen will enter their last meet of the season when they journey to Claremore to battle OMA.

Under Coach Ludy Harman the CHS Swimmers had three of their last four meets. One of the victories was OMA squad. The Centralites defeated the Tulsa YMCA during the year.

In other meets this season the Green and Whittiers were defeated by Bartlesville (twice), Ponca City, and Clasen of Oklahoma City. The Muskogees also competed in the regional meet and in the Forty-Sixth Annual Oklahoma Interscholastic Meet. In these meets the CHS Tankers swam against the states top aquatic teams.

Last Saturday the Rougher Swimmers placed fourth in the Oklahoma State High School Meet.

Last week the Roughers defeated the OMA Team to the tune of 41-18. The Roughers won five of seven first places in the meet at the Muskogee YMCA. Roughers winning first places in the meet were Joe Eddins in the 200-yard free style, Don Harris in the 100-yard breast stroke, Jack Meloy in the 100-yard backstroke, and Mac White in the 100-yard free style. The 180-yard medley team, made up of Don Carr, Eddins, and White, won their event.

Two Roughers will swim their last meet for Central. Don Carr and Royce Hinkle are the seniors who will have to be replaced next year.

Juniors on the team are Kendall, Bill Shunkley, and Sophomores include Eddins, H Meloy, and Dick Storts.

Two Muskogees hold local records. Shunkley set the 40-yard free style mark when he gained points, while Storts recently set junior mark for the 40-yard style.

This is probably the way they line up at the starting block: 40-yard free style—OMA, Mc Medberry; Muskogee, Storts. 200-yard free style—OMA, Eddins; Muskogee, Carr.

100-yard breast stroke—OMA, Beach; Muskogee, Coon, Kendall. 100-yard backstroke—OMA, White; Muskogee, Meloy, Kendall. 200-yard free style—OMA, Miller; Muskogee, Carr.

180-yard medley relay—OMA, Powell, Egan, and Massey; Muskogee, Meloy, Coon, Hinkle, and Eddins.

'Intrinsic' Proves To Be Real Sticker

Sophomore English pupils of Miss Buena Vista White, Ted Ross, and Robert Harvey held a spelling contest Friday in the auditorium to determine the champion sophomore speller.

It was a close race for part of the second hour as they started slowing down. The text lasted the entire twenty minutes and it took time would run out without a word popped up—in this one stumped six or seven and let Maxine Spear place. Leora McDaniels came second, and Wanda Ballew. According to Mr. Gey time spent on spelling was not wasted because are already showing up in class.

FORENSIC

Although it was without a single letterman from the championship squad of 1948-1949, the debate team took numerous honors throughout the state this season.

Under the coaching of J. W. Patterson, whose teams the year before won six championships throughout the Southwest, the senior debating team was composed of Rita McGrann and Virginia Burleson, and the junior team of Forney Sandlin and Wesley Hornback.

Those who participated in various individual events throughout the year included Bob Rietz, Dick Lathrop, Cynthia Price, Pat Myers, Mary Cole, Charles Guigou, Larry Maddin, and Joy Butler.

The debators attended tournaments at

Coffeyville, Kansas; Oklahoma City, Miami, Tahlequah, Ada, Edmond, Dallas, Texas; Shreveport, Louisiana; and the state Tournament in Norman.

In addition, the squad was hosts to speech students from throughout the state on March 3 and 4 at Muskogee's first annual speech tournament.

During the year, the senior team made numerous appearances before various civic clubs and presented a radio debate in April.

The purpose of high school debate is to cultivate within the student a power of self-expression, as well, as a thorough high school background in economics, current events, government, and history.

Editors of the show included in addition to Lathrop, Christina Poulos, society; Tilman Ryser, student activities; Betty Herring, news; Pat Taylor, administration, and Don Ream and Mary Ellen Ritan, Sophomore representatives.

Make-Up Club

The Make-up Club of Central High School sponsored by Miss B. V. White was organized several years ago to further students in the fundamental principals of the art of make up and give training to those who are interested in the art of make-up in either an amateur or a professional way.

This organization, composed of sophomore, junior and senior members met regularly and gave demonstrational lessons for the purpose of teaching each student to obtain different effect with the use of make-up materials needed in every stage production.

The activities of the club have been to make-up the characters in each of the five major plays presented at Central.

The officers chosen for this year were: Monte Bright, president; Leck Dougherty, vice-president; Ann Hardin, secretary and treasurer; Jackie Kahley, senior chairman.

Stagecraft

The Stagecraft Club of Central High under the supervision of J. T. Huckstep, was organized in 1944 for the purpose of setting the stage appropriately for the assemblies. Since the time of its organization it has been the club's goal to construct scenery each year for all the class plays.

Besides setting the stage the boys operate the lighting, set up the loud speaking system and arrange the chairs for assemblies presented in the boys' gym.

Special recognition should go to the club for the excellent job they did in arranging the beautiful background scenery for the Christmas assembly this year.

The key word of the club is "Synchronization."

Central High School Band

Whether you are attending a Rougher football or basketball game, a pep assembly, or any other major activity of Central High School, you will always find present the Central High School Band. This year, the band is under the capable direction of Mr. Kenneth Parker.

The Central High School Boys' Band was organized in 1922 by Mr. Anton Goetz, who developed Central's instrumental music system during his twenty-five years as band director.

The band this year, besides having appeared at all the school's pep assemblies and football and basketball games, has appeared at all the class plays, several informal concerts at school, the Armistice Day celebration, the Oklahoma Free State Fair, and the Veteran's Hospital. They marched in the Christmas parade and threw a big party for the visiting Ft. Smith band members when they came to Muskogee for the Ft. Smith-Rougher football game this last fall. This spring they attended several contests and band clinics.

An outstanding event of the year was the coronation of their beautiful queen, Jeanne Williams.

The 1949-1950 officers of the band were: President, Don Stacy; Vice-President, Lee Roy Bondurant; Secretary-Treasurer, Joe McKinney; Librarian, Allen Sanders; Sergeant-at-Arms and Quartermaster, George Taylor; and Drum Major, Louis Barnett.

In part the success of the A squad depends on the B squad boys who attend practice and who not only work toward developing themselves into a smooth operating ball club, but also scrimmage the A squad in order to help keep them on their toes and in shape through the season between the regular games.

This year the Greenies finished their gridiron matches with a record of four wins and five losses.

With eight returning lettermen from the 1948-49 state championship squad, Coach Paul Young's Muskogee Roughers set the gridiron stage for another outstanding season.

With several weeks of hard grinding practice under the brilliant August sun and two weeks at the first of the school year the Roughers entered the first game of the season on September 16, opposing the Northeastern State Teachers "B" squad. The Rougher Ironmen emerged victorious 30-0

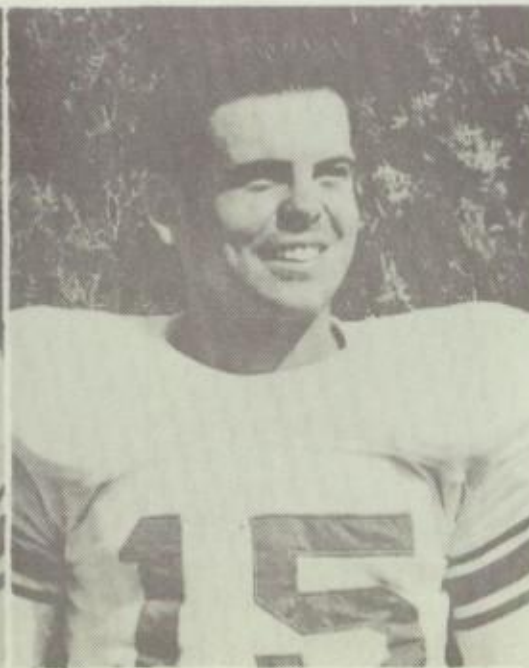

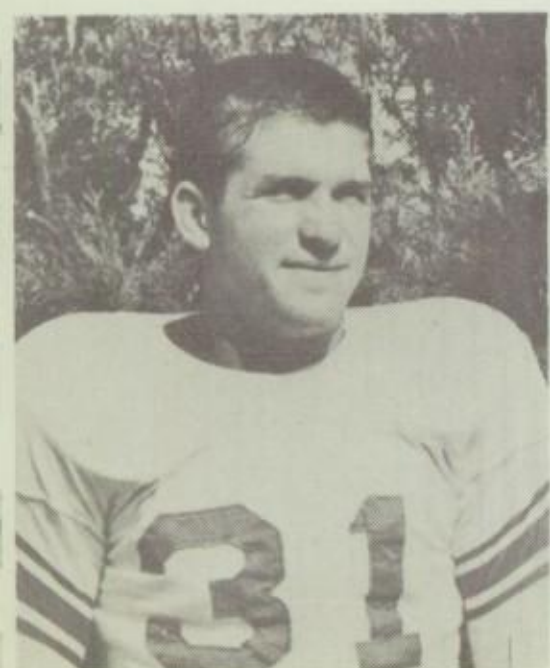

before a packed stadium at Indian Bowl.

Following their opening victory many Muskogeeans traveled with the Roughers to McAlester on September 23 to see them take their second straight win, 27-7.

While the first two contests had much color, it wasn't until the first conference tussel against Tulsa Webster on September 30 at Indian Bowl that the squad showed its real potential strength coming out on the long end of the count, 13-7.

With three victories behind them going into the second conference contest, the Roughers met the Bartlesville Wildcats at Indian Bowl on October 7. Cheered on by the Muskogee football fans, the Roughers swamped the Wildcats 29-0.

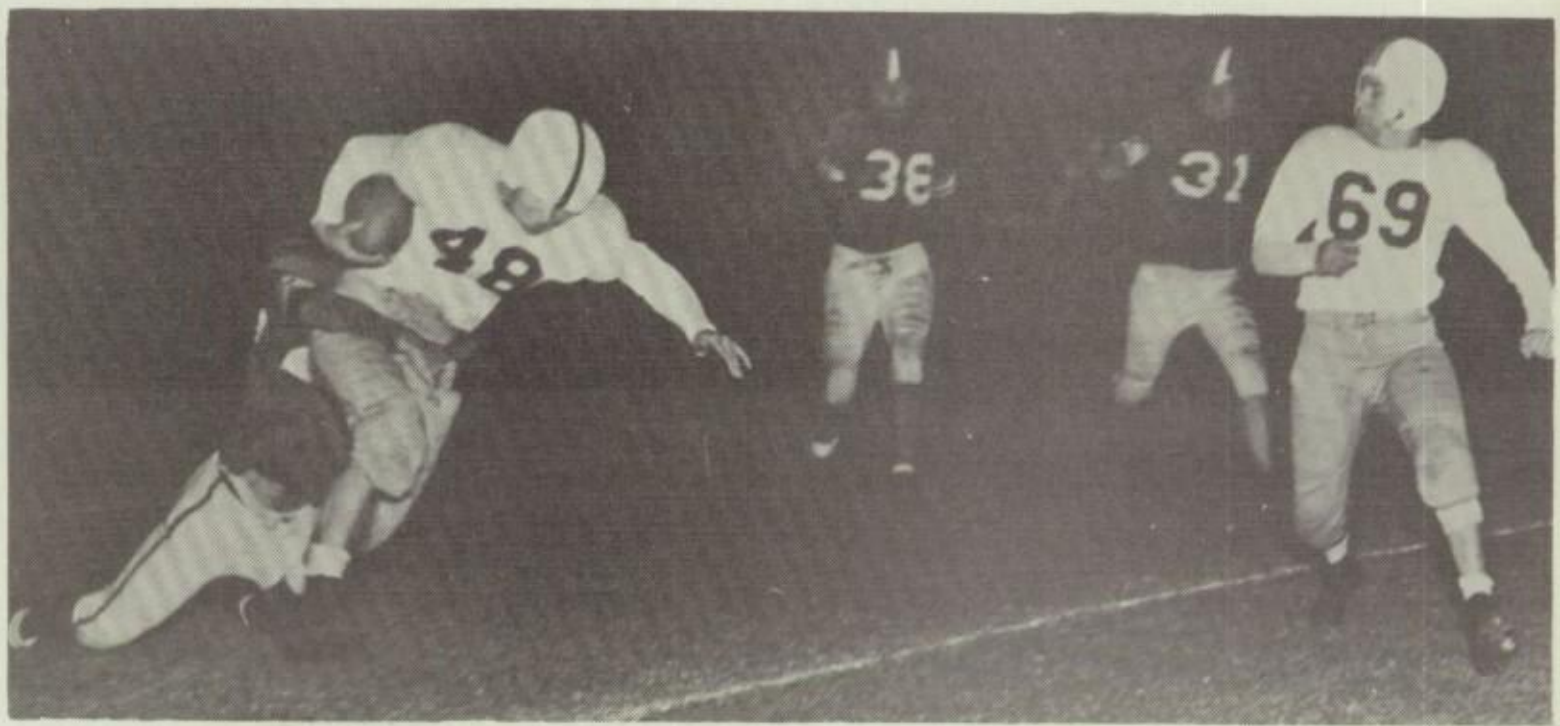

Taking to the road again, the Muskogee aggregation moved to Okmulgee to meet the Bulldogs at Harmon Field on October 14, under the capable leadership of their field general Fay Treadway, the Roughers took their fifth straight win, 27-6.

The following week, on October 21 the Rougher squad travelled to Tulsa to meet the Roger's Ropers at Skelly Stadium. Battling hard, the locals dropped their first contest to the Ropers 25-19.

During a lapse in conference play, the Roughers entertained the Fort Smith Grizzlies on October 28 at Indian Bowl. The locals mauled the visitors 35-7.

The Roughers having dropped the contest to the Tulsa Ropers, slipped into second place in the conference standings.

Standing second place in the conference, the Roughers met the Tulsa Central Braves in the local stadium on November 4. The green and whiter putting everything they had into

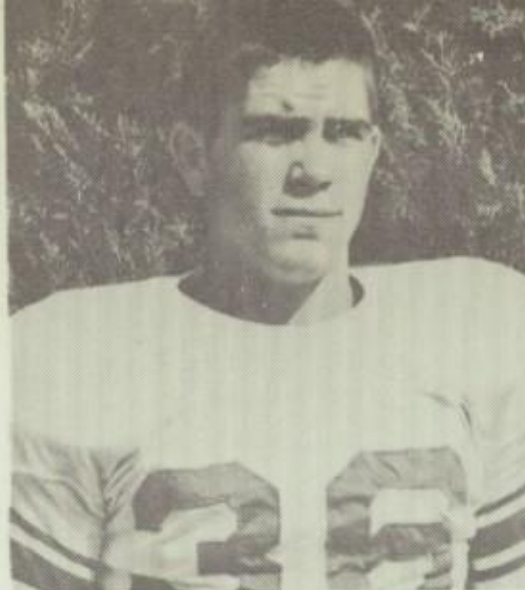

the game, emerged on top 25-12, and regained their lead in District 6-A conference play when the Ropers dropped their game to the Webster Warriors on the same evening.

With only one game between them and the conference crown, the Roughers invaded Sapulpa to meet the Chieftains in the do or die conference tilt on November 11. Trailing 14-7 at the half in what looked like a hopeless game, the Roughers returned to the field and dug in to beat the Chieftains in the second half 25-19 in the most thrilling game of the season.

Returning home the Roughers practiced for another week in preparation for their next tilt with the Henryetta Hens at Henryetta. The Hens proved no match for the locals as they triumphed over the Henryetta eleven 19-0.

Entering the quarter-finals of the state play-offs, the Roughers met the Seminole Chieftains for the second straight year in a similar situation. The locals fighting hard to defend the state crown they had won the year before, dropped this all-important contest to the visitors 13-7.

This ended the 1949-50 football season with a record of ten wins and one loss and having won the 6 A conference crown in one of its toughest years.

With sixty hustling boys responding to the first call for basketball season on December 1, by separating the chaf from the wheat, Coach Jack Hopkins began to assemble his first cage squad under the banner of the green and white.

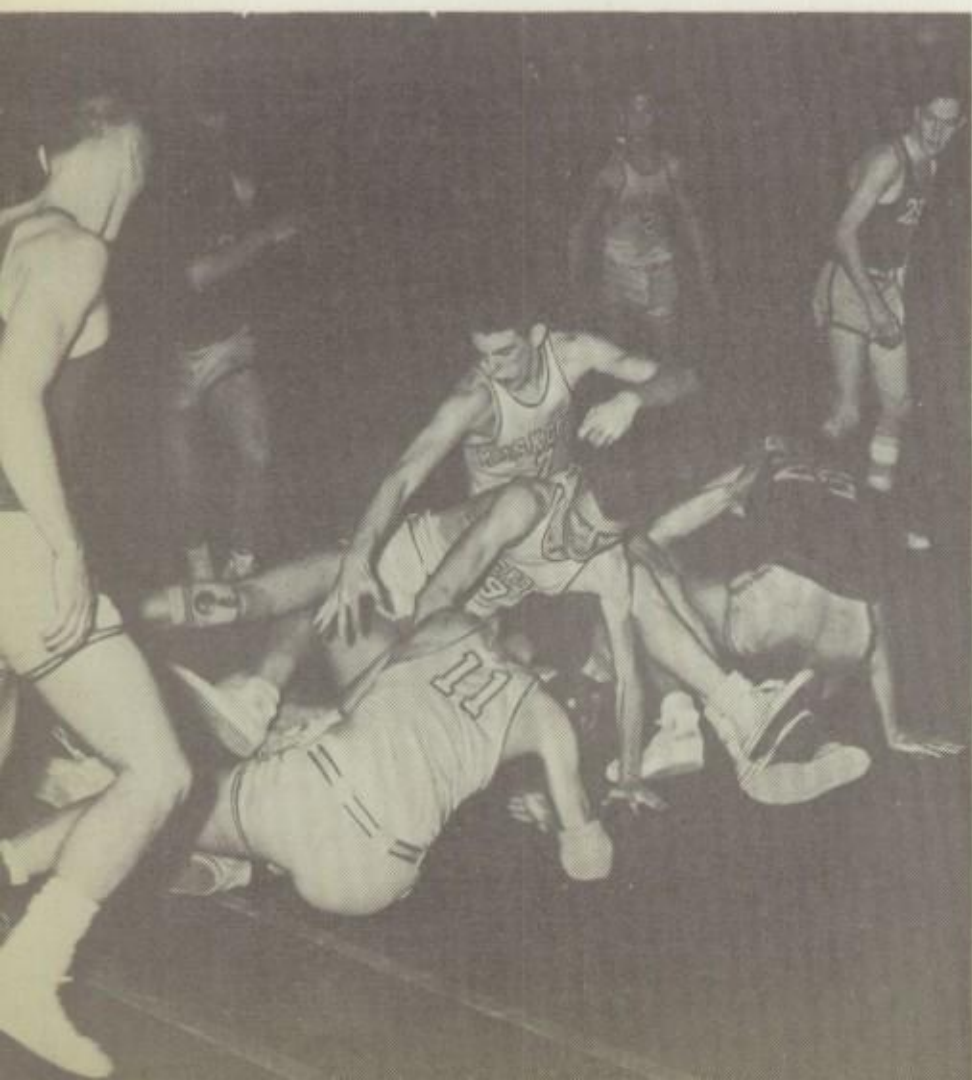

After two weeks of practice and elimination twelve boys were finally moulded together to form the 1950 edition of the Roughers roundballers of Central High.

Keyed up and in shape for their first contest, the locals took to the road to meet the Ft. Smith Grizzlies in the opponents gym on December 13, from which the Roughers returned victorious 46-37.

The following week the Muskogee roundballers met the Fayetteville Bulldogs in the first tilt of the season on the home court. The Roughers emerged with a second win 45-28.

Continuing their home stand, the Hopkinsmen met the Seminole Chieftains in the third game of the season, and paced by ace Rougher guard, John Hudson, trounced the opponents 48-28.

The locals, during the season dropped two matches to Bartlesville, won a contest from Tulsa in the local "Y" pool, entered the State AAU championships, the regional YMCA championship, and the state high school swimming meet at Norman.

Crack Squad

Buy a yardstick? Well, how about a megaphone or maybe some delicious candy? The Crack Squad really went on a selling spree this year!

The Crack Squad which is the marching organization of the pep squad was organized in 1945 by Miss Margaret Wilson, for the purpose of adding more pep and spirit to the athletic functions of Central. The group composed of fifty junior and senior girls under the leadership of Miss Dorothy Moore, marched with the Central High School Band during the half-time of every football game this year and the squad's performance at the Fayetteville-Muskogee basketball game was an annual affair.

At the close of football season the Crack Squad gave a weiner roast for the band boys and their director, Mr. Kenneth Parker.
